2. TIME PERIOD

2.1 Performance of work or other expenses billable to ARB under this grant may commence after signing and awarding of this grant. Performance on this grant ends once the Grantee has received their last reimbursement of administrative funds or if the grant is terminated, whichever is earlier.

2.2 All funds must be disbursed to the Grantee no later than June 30, 2012.

2.3 The ARB Executive Officer retains the authority to terminate or reduce the dollar amount of this grant if by January 1, 2012, 60 percent of vehicle voucher

funding has not been expended on eligible vehicles by the Grantee. In the event of such termination, Section 6 of these provisions shall apply.

3. FINANCIAL MATTERS

- 3.1 ARB's obligations under this Grant Agreement are contingent upon the availability of funds. In the event funds are not available, the State shall have no liability to pay any funds whatsoever to the Grantee or to furnish any other considerations under this Grant Agreement.
- 3.2 The Grantee agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit tracing of grant funds to a level of expenditure adequate to establish that such funds have not been used in violation of State law or this Grant Agreement. Unless otherwise prohibited by State or local law, the Grantee further agrees that it will maintain separate Project accounts in accordance with generally accepted accounting principles.

Budget

- 3.3 The maximum amount of this grant is \$XXX million. Under no circumstance will ARB reimburse the Grantee for more than this amount.
- 3.4 The budget for this project is shown in Exhibit C, Attachment I. Except as stated in Section 3.5 of these provisions, grant disbursements for vehicle voucher and administrative funds shall not exceed the corresponding AQIP grant amount.
- 3.5 The total AQIP funding may only be reallocated in the event that the Grantee requests less administrative funding than the amount stated in the budget.

Grant Disbursements

- 3.6 Requests for payment shall be made with the grant disbursement request (Exhibit D) and conform to the instructions identified in sections 4.2 of the Implementation Manual. Grant payments shall be made only for reasonable costs incurred by the Grantee and only when the Grantee has submitted a grant disbursement request, milestones stipulated in Exhibit C, Attachment II and section 4.2 of the Implementation Manual have been accomplished, documentation of accomplishment has been provided to ARB in the form of the Status Report, and any associated deliverables have been provided to ARB.
- 3.7 Grant payments are subject to ARB's approval of Status Reports and any accompanying deliverables. (See Section 5 of these provisions.) A payment will not be made if the ARB Project Liaison deems that a milestone has not been accomplished or documented, that a deliverable meeting specifications has not been provided, that claimed expenses are not documented, not valid

per the budget, or not reasonable, that the Grantee has not met other terms of the grant.

The Chief of the Mobile Source Control Division or designee of ARB may review the Project Liaison's approval or disapproval of a grant disbursement. No reimbursement will be made for expenses that, in the judgment of the Division Chief of the Mobile Source Control Division, are not reasonable or do not comply with the grant.

- 3.8 The Grantee shall mail grant disbursement requests to the Project Liaison.
- 3.9 The ARB will withhold payment of ten percent of administrative funds, as identified in section 4.2.2 of the Implementation Manual, until completion of all work, all intellectual property has been relinquished to ARB in accordance with Section 9 of these provisions, ARB has received and approved the Grantee's mechanism for receiving annual activity reports, and submission to ARB by Grantee of a final report. It is the Grantee's responsibility to submit a grant disbursement request for this final disbursement of funds.

Oversight and Accountability

- 3.10 The Grantee shall comply with all oversight responsibilities identified in section 5.10 of the Implementation Manual.
- 3.11 The ARB or its designee reserves the right to audit at any time during the duration of this grant the Grantee's costs of performing the grant and to refuse payment of any reimbursable costs or expenses that in the opinion of the ARB or its designee are unsubstantiated or unverified. The Grantee shall cooperate with the ARB or its designee including, but not limited to, promptly providing all information and documents requested, such as all financial records, documents, and other information pertaining to reimbursable costs, and any matching costs and expenses.
- 3.12 The Grantee shall retain all financial records referred to above and provide them for examination and audit by the State for three years after final payment under this grant.
- 3.13 ARB or its designee may recoup AQIP funds which were received based upon misinformation or fraud, or for which a Grantee, dealership, manufacturer (including truck equipment manufacturer), or vehicle purchaser is in significant or continual non-compliance with the Implementation Manual or State law. ARB also reserves the right to prohibit any entity from participating in the HVIP due to non-compliance with project requirements.

4. PROJECT MONITORING

Meetings

- 4.1 Initial meeting: A meeting will be held between key project personnel and ARB staff before work on the project begins. The purpose of the first meeting will be to discuss the overall plan, details of performing the tasks, the project schedule, and any issues that may need to be resolved.

Review meetings: At least one review meeting will be held in Sacramento during the project. However, additional meetings may be scheduled at the sole discretion of the Project Liaison. Such meetings may be conducted by phone, if deemed appropriate by the Project Liaison.

Technical Monitoring

- 4.2 Any changes in the scope or schedule for the project shall require the prior written approval of the ARB Project Liaison.
- 4.3 The Grantee shall notify the ARB Project Liaison and Grant Administrator, in writing, immediately if any circumstances arise (technical, economic, or otherwise), which might place completion of the project in jeopardy. The Grantee shall also make such notification if there is a change in key project personnel (see Exhibit C, Attachment IV).
- 4.4 In addition to Status Reports (discussed in Section 5 of these provisions), the Grantee shall provide information requested by the Project Liaison that is needed to assess progress in completing tasks and meeting the objectives of the project.

5. REPORTING

Status Reports

- 5.1 The Grantee shall submit written Status Reports at a minimum of three-month intervals. The Status Reports shall be provided in a format agreed upon between the ARB Project Liaison and the Grantee and meet the requirements of section 4.3.1 of the Implementation Manual.
- 5.2 Every grant disbursement request (Exhibit D) shall be accompanied (or preceded) by a Status Report that documents the completion of a milestone specified in Exhibit C, Attachment II.
- 5.3 If the project is behind schedule, the Status Reports must contain an explanation of reasons and how the Grantee plans to resume the schedule.

Final Report

- 5.4 When the project is complete, the Grantee shall submit a draft Final Report. The draft Final Report must be submitted to ARB in an appropriate format agreed upon between the ARB Project Liaison and the Grantee. The Final Report must meet the requirements of section 4.3.2 of the Implementation Manual. Upon approval of the draft Final Report by the Project Liaison, the Grantee shall provide a written copy of the final version, plus an electronic file.

6. TERMINATION AND SUSPENSION OF PAYMENTS

- 6.1 The ARB reserves the right to terminate this grant upon thirty days' written notice to the Grantee, if the ARB determines that the project has not progressed satisfactorily during the previous three months and the Grantee and ARB have been unable to agree on modifications. In case of early termination, the Grantee will submit a grant disbursement request, a Status Report covering activities up to, and including, the termination date, following the requirements in Sections 3 and 5 of these provisions, and all intellectual property in accordance with Section 9 of these provisions. Upon receipt of the grant disbursement request, Status Report, and all intellectual property has been relinquished to ARB, a final payment will be made to the Grantee. This payment shall be for all ARB-approved, actually incurred costs that in the opinion of ARB are justified. However, the total amount paid shall not exceed the total grant amount.
- 6.2 The ARB reserves the right to issue a grant suspension order in the event that a dispute should arise. The grant suspension order will be in effect until the dispute has been resolved or the grant has been terminated. If the Grantee chooses to continue work on the project after receiving a grant suspension order, the Grantee will not be reimbursed for any expenditure incurred during the suspension in the event ARB terminates the grant. If ARB rescinds the suspension order and does not terminate the grant, ARB will reimburse the Grantee for any expenses incurred during the suspension that are reimbursable in accordance with the terms of the grant.

7. CONTINGENCY PROVISION

- 7.1 In the event this grant is terminated for whatever reason, the ARB Executive Officer or designee reserves the right in his or her sole discretion to award a grant to the next highest scored applicant and if an agreement cannot be reached, to the next applicant(s) until an agreement is reached.

8. DISPUTES

- 8.1 The Grantee shall continue with the responsibilities under this Grant Agreement during any dispute. Grantee staff or management may work in good faith with

ARB staff or management to resolve any disagreements or conflicts arising from implementation of this Grant Agreement. However, any disagreements that cannot be resolved at the management level within 30 days of when the issue is first raised with ARB staff shall be subject to resolution by the ARB Executive Officer, or his designated representative, whose decision shall be final and binding.
